IMPORTANT GOVERNMENT ORDERS.

CHIEF SECRETARIAT.

Giving wider publicity to the vacancies of appointments.

ORDER No. 69-77—C. R. B. 1-29-1, DATED 3RD JULY 1929.

The question of giving wider publicity to the vacancies of appointments arising in various departments has been urged on the attention of Government for some time past and it has been represented that the publication of such vacancies in the official Gazette does not very often reach a large number of candidates residing in the interior parts of the State where copies of the Gazette may not be available for reference.

The Central Recruitment Board to whom the question was referred for consideration suggested at first that the object in view might be served if copies of notifications of vacancies are sent to the Secretaries of recognised Associations having the privilege of returning members to the Representative Assembly. As this did not work well in practice, they have on further consideration suggested that it would be desirable to have the vacancies advertised also in some of the English and Vernacular Newspapers in the State.

Agreeing with the Board in this view, Government consider it desirable to have the vacancies published twice a week in some of the daily newspapers and once a week in some of the weeklies. They are accordingly pleased to direct that all vacancies that are now published in the *Mysore Gazette* every week should also be sent to the marginally noted newspapers for publication, an honorarium at the rate noted being paid to each of the newspapers.
